

# Basingstoke #GETLAUNCHED

WHERE START-UPS TAKE OFF

With our **buzzing business community**, **affordable space** and **great places to socialise** in the **vibrant town centre**, we are home to one of the few open access **5G test beds** in the world and only **45 minutes from London.**

**IncuHive offer the hottest business incubation support services around**, with everything you need to get your business off the ground and under one roof.

**Co-working space at Desklodge**, listed by the Telegraph as one of the trendiest offices in the world, is available to start-ups and entrepreneurs.

**Twice ranked as the Global No. 1 Business Incubator**, SETsquared provides a wide range of highly acclaimed support programmes to help turn ideas into thriving businesses.

**Connecting the tech and digital dots** across Basingstoke with the latest news from TechJuice.
